Burnham Parish Council

2014/2015	BURNHAM PARISH COUNCIL	2015/2016
£744,344	Gross Spending	£771,470
£490,798	Net Expenditure	£482,926
£493,565	Precept	£493,870

The Parish Council is setting a precept for 2015/2016 that will result in no increase in the Council Tax paid by the residents of Burnham.

This has been the result of the continuation of the considerable hard work in cutting costs, without affecting the level of service that we offer, and generating fresh and improved revenue streams from the assets that the Parish Council manages.

Income from the Halls has again significantly improved and is showing continued improvement with the fresh and inclusive program of events geared towards the community. Leases and contracts for use of Parish assets have also continued to be reviewed and re-negotiated where necessary.
