

## **Press Release**

Burnham Parish Council is pleased to report that they have now secured planning permission to commence the long awaiting refurbishment of Burnham Park Halls and tenders will shortly be sent out for the demolition and rebuilding of the premises.

Most of the hall's car parking will be used by the builders but their will still be sufficient parking available for library users.

In the New Year the administration of the Council will move to alternative premises in the High St whilst the work is being undertaken. Residents will be able to view planning applications and conduct other enquiries in the same manner as before. The project will take approximately a year.

Meetings of the Full Council will be held in the Library Room and members of the public will still be able to attend.

If you have any enquiries please do not hesitate to contact the Parish Clerk on 01628 661381 or [burnhamparishoffice@btconnect.com](mailto:burnhamparishoffice@btconnect.com)

Mrs Janet Holmes  
Parish Clerk
