

Burnham Secondary School Update 31st May 2023

This document/web page provides residents and councillors with the status of the activities of the Burnham Parish Council working group and its activities to hopefully get a non-selective secondary school established on what was the E-Act Burnham Park Academy site.

- Please refer to previous Updates given – details are not repeated here.
- This month we have written once more to MP Joy Morrissey, Leader of Bucks Council Martin Tett and Regional Department for Education Director for South East Dame Kate Dethridge – to remind them of our campaign and recent survey results. All letters are requesting an audience with the decision makers – Bucks Council and Regional Department for Education Director for South East Dame Kate Dethridge.
- A stall in this month's fete at Lent Rise School proved successful. Similar stalls need to be set up in all local primary schools to give families visibility and gain their support. Parents still to be found to hold these stalls in other schools. The steering group would assist but it is now time for the families to step forward and lead. Other parents and guardians are more likely to listen and follow if one of their own is requesting participation in the campaign.
OTHER SCHOOLS STILL TO DO.
- A photo campaign also begun where photos taken of various children groups and clubs with the intention to build a library of supporters in photos to be used in the media.
First photo taken with Phoenix Rugby Club.
Burnham Juniors Football Club & Burnham Football Club currently being investigated.
CALL OUT TO ALL LOCAL PARENTS AND FAMILIES WITH CHILDREN ATTENDING LOCAL OUT OF SCHOOL GROUPS FOR THIS PHOTO INITIATIVE.
- Stall set up at the Donkey Derby in Burnham Park on 27th May 2023. Information boards displayed and a scan logo displayed for completing the survey. Several families enquired at the stall. Some names were recorded for help in the campaign.
MORE PARENTS & GUARDIANS NEEDED !!
- The Burnham Parish Council website has been changed. Extensive work done this month to update the website for our campaign. If any problems found or lack of warranted information, please make contact so that we can rectify this.
- Please read the information given on the Burnham Parish Council website – New School
