

Burnham Secondary School Update 28th February 2023

This document/web page provides residents and councillors with the status of the activities of the Burnham Parish Council working group and its activities to hopefully get a non-selective secondary school established on what was the E-Act Burnham Park Academy site.

- Please refer to previous Updates given – details are not repeated here.
- A Public meeting focusing on parents of primary school children was advertised on social media and held on Monday 27th February 2023 at Burnham Park Hall. The meeting was led by Carol Linton providing a brief summary of the need for this school followed by discussion with the audience on how to engage parents of perspective students of such a school. A few parents present have taken action items to review and re-vitalise the campaign. Watch this space!
