

Burnham Secondary School Update 31st January 2023

This document/web page provides residents and councillors with the status of the activities of the Burnham Parish Council working group and its activities to hopefully get a non-selective secondary school established on what was the E-Act Burnham Park Academy site.

- Please refer to previous Updates given – details are not repeated here.
- Information is being gathered on the increasing housing both in Slough and Maidenhead. This, of course, has a knock on effect on catchment areas and school places available to the children of Burnham. The assumptions made by many parents that we will have spaces in Maidenhead schools is not a safe one. Parents need to realise the consequences of all the proposed housing and the housing already approved and currently being built.
- There has been no response from the secretary of state to our letter to review our lack of a school.
- We have had a disappointing response from the RSC (Regional School's Commission) that they will not meet with us to discuss this matter. They have accepted Bucks Council statistics which state there is no need for a local school in Burnham.
- Please read the information given on the Burnham Parish Council website-Projects-New School.. (<https://burnhamparish.gov.uk/newschoolinburnham>)
