

Burnham Secondary School Update 30th April 2023

This document/web page provides residents and councillors with the status of the activities of the Burnham Parish Council working group and its activities to hopefully get a non-selective secondary school established on what was the E-Act Burnham Park Academy site.

- Please refer to previous Updates given – details are not repeated here.
- This campaign group is now referred to as the Steering Group with greater emphasis on parents, Guardians and the Community driving it forward.
- More parents are getting involved and Cllr Carol Linton is assisting in coordinating and supporting them. There is a new focus on stalls at school fetes.
- The local journalist Melissa Paulden with the Baylis Media group (most of our local newspapers) continues to support this campaign and needs to be utilised better.
- Everything depends on more parent and guardian participation.
- Terms of Reference for this group were updated at the Full Council meeting and approved.
- Please read the information given on the Burnham Parish Council website-Projects-New School.. (<https://burnhamparish.gov.uk/newschoolinburnham>)
