

NEW BURNHAM COMMUNITY THROUGH SCHOOL UPDATE

Since my last report, two very capable volunteers have come forward to serve on the working group. Some more volunteers would be most welcome, and especially if they have expertise in adult education.

Burnham Parish Council vice-chairman, Cllr. Ekta Kaur Ross will formally be proposing the formation of the working group at the Council's next full meeting on January 18th with its aim of campaigning for the opening of the new school on the Opendale Road site previously occupied by Burnham Park Academy.
