

## Burnham Secondary School Update 30<sup>th</sup> September 2022

---

This document/web page provides residents and councillors with the status of the activities of the Burnham Parish Council working group and its activities to hopefully get a non-selective secondary school established on what was the E-Act Burnham Park Academy site.

---

- Please refer to previous Updates given – details are not repeated here.
- The 8 RSC (Regional School's Commissioners) are now Regional School's Directors.
- A post-box placed at Burnham Park Hall with blank postcards for parents and guardians to write their personal story on why they need this local school. Again, this has been advertised on Facebook but very little come in.
- Parish Council Chairman has written to the Leader of Bucks Council Martin Tett inviting him and members of his education dept to visit us and see first-hand the problem, still awaiting a response after 4 weeks.
- A letter of complaint sent to the complaints dept at Bucks Council as per the advice given from the DfE, still awaiting response. We are trying every angle but the letters of response are a duplicate copy of the facts and figures Bucks Council Education Dept sent to us 6 months ago. It is the same letter sent to any parents that have written to them querying the scenario of no school in Burnham.
- One minimum parent per local primary school is what we need to liaise with us on this campaign. The governing bodies of the local primary schools have not responded to our letters of introduction. WE NEED PARENTS IN THESE SCHOOLS TO VOLUNTEER.
- Please read the information given on the Burnham Parish Council website-Projects-New School.. (<https://burnhamparish.gov.uk/newschoolinburnham>)
