Variation of Condition 7 (Approved Plans) of Planning Permission PL/23/2144/FA (Part two, part single storey, side and rear extension, loft conversion with rear dormer and roof lights to front and rear elevations) to allow for rear balcony sides to change to glass, changes to windows and doors, enlargement of front porch with change to a flat porch roof

The Committee **RESOLVED** to **OBJECT**; The proposed change to a flat porch roof and other proposed alterations, including rendering will fail to comply with relevant regulations and present harm to the overall character of the area.

**PL/24/0097/FA** - Eight Oaks, 99 Green Lane, Burnham, Buckinghamshire, SL1 8EG

The erection of a front garage wing with accommodation in the roof space, a single storey front leisure wing and the erection of a single storey rear extension comprising an outdoor kitchen area along with replacement entrance gates involving enlarging the existing entrance.

The Committee **RESOLVED** to **OBJECT**; the proposal is situated within the Metropolitan Green Belt Region and the proposed plans would suggest that the development would double the amount of footprint within the area. The Committee ask whether the applicant has considered how the proposal may cause impact to external footprint, volume, scale and the character of the area to prevent the intensification of previously development land?

**PL/24/0104/FA** - 10A Hurstfield Drive, Burnham, Buckinghamshire, SL6 0PF

Part two, part single storey side extension (Amendment to previous approval PL/22/2235/FA)

The Committee **RESOLVED** to **OBJECT**; it was felt that the proposed plan appear far larger than an appropriate extension. The Committee note that the part two, part single side extension may be utilised as a separate property therefore consider the proposal out-of-keeping and overdevelopment. The Committee stated that the high-density building will have reached its optimum limit and will not be able to provide sufficient parking on site, and noted the severe parking issues at Hurstfield Drive.

**PL/24/0059/FA** - 14 Hurstfield Drive, Burnham, Buckinghamshire, SL6 0PF

**PL/24/0183/FA** - Jolly Woodman, Littleworth Road, Burnham, Buckinghamshire, SL1 8PF

Proposed outbuilding and single storey side extension following demolition of existing store. Proposed change of use to a Place of Worship.

The Committee **RESOLVED** to **OBJECT**; it was felt that the change of use may appear inappropriate as the proposed outbuilding extension could lead to a loss of valuable historical asset. The current car parking area is deemed to be inadequate for the proposed use given that the community lead activities and services will build upon the footprint and create further pressure in the highway. The Committee noted that Littleworth Common is heavily utilised and that the proposal may add to the influx of traffic congestion which would put additional pressure to existing amenities. The proposed hours of operations of 7:00am – 22:00pm, 7 days a week will cause a local disturbance, and increase noise and traffic generation concerns. On that account, the proposed application should be considered unsuitable and it was recommended that conditions be imposed to mitigate any potential harm.
